Dear Dean of Faculty of Nursing, Universitas Airlangga,

We would like to thank you very much for your generous support for the National College of Nursing, Japan (NCNJ).

For our project to enhance the teaching skills in gerontic nursing of Indonesian clinical nurse preceptors, we would like you to request the invitation of your faculty or staff member, Ms. Elida Ulfiانا to participate and cooperate in this project.

The purpose, activities, and schedule of the project are as follows. The list of project participants is attached.

Purpose: To improve the teaching skills of preceptors of clinical practice who provide clinical guidance for gerontic nursing practice in basic nursing education in Indonesia.

Activities:

- Provide the online or on-site lectures about the gerontic nursing and the training for clinical preceptor in Japan by the Japanese specialist.
- Provide the workshop for the purpose to develop the TOT (training to trainers) for the core members who will become the trainers the next year, including the creation of educational materials using VR technology.
- Conduct the training in Japan to learn about nursing care for the elderly in hospitals and other facilities and practical training guidance in Japan.
- Conduct a joint study to identify the effectiveness of the TOT.

Schedule: April 2023 - February 2024

Respectfully,

綿貫 成明
